ORDER

In the reference 1st read above, Government have extended certain incentives/concessions to M/s. Jayavenkatarama Industries Limited.

2. In the reference 2nd read above, the Director, M/s Jayavenkatrama Industries Limited, has stated that earlier they have indicated their Unit-II (Spinning, Ginning, Pressing and Garmenting) to be located in the Government owned land in Idulapalem Agraharam and Unit-III for Weaving, Processing and Garmenting to be located near Vellaturu in Guntur District. Accordingly, they have approached APIIC for allotting the said lands but subsequently enquires revealed that the identified land in Idulapalem Agraharam turned out to be a tank bed land which could not be allotted. They have on their own acquired adequate land in Veeravali Village, Bapulapadu Mandalam of Krishna District for locating Unit-II. Similarly, on getting the land near Vellaturu, they thoroughly examined for Unit-III i.e. Weaving and Processing Unit, from the points of view of availability of adequate water, discharge facility for effluents and contiguous nature of land, Vellaturu was not found suitable and they found in Chandole Village, Pitlavanipalem Mandalam of Guntur District and acquiring land on their own for Unit-III.

3. The company has requested to rectify the para 4.1 of the G.O. 1st cited on reimbursement of power cost in respect of all the three units and the change of locations.

4. Keeping in view of the circumstances stated in para 2 above, and also in light of the recommendations of the Commissioner of Industries, Andhra Pradesh, Hyderabad, Government after careful examination of the matter, hereby issue the following amendment and Errata to the orders issued in G.O.Rt.No.684, Industries & Commerce (IP) Department dated.27.10.2006 subject to condition that the individual Unit has to satisfy the norms, where the proportion of ineligible items in total production shall not exceed 10% in value, as per G.O.Ms.No.20 of Industries & Commerce [IP] Department dated.31.1.1997.
